Robert C. Cline, Sr., CPL

Senior Landman · Data & GIS-Driven Energy Projects

rccline@fastmail.fm · (713) 806-6011 · Sidney, NE · goldentriangleland.com

PROFILE

Senior Landman with 40+ years in oil & gas land management, combining large-scale lease acquisition expertise with advanced data analytics, GIS, and automated reporting systems. Proven record managing 10,000+ leases across 400,000+ acres and delivering significant operational improvements.

PROFESSIONAL EXPERIENCE

Senior Landman & Co-Owner · Golden Triangle Land Services Inc. · Sidney, NE

2022–Present

- Led carbon sequestration initiatives integrating GIS mapping and environmental permitting.
- Built interactive Power BI dashboards providing project overviews and performance insights for stakeholders.
- Developed R Shiny applications for real-time project tracking and team coordination.
- Designed spatially integrated data systems that streamlined reporting workflows.
- Automated document generation using R, substantially reducing preparation time and errors.

Senior Landman, Co-Owner & Manager · Red Zone Land Services, LLC · Houston, TX

2015–2022

- Architected MS Access systems managing 10,000+ leases across 400,000 acres.
- Created performance dashboards in Power BI to track team progress and project milestones.
- Led 70+ professionals across multi-county projects with consistent on-time delivery.
- Implemented data-driven lease and ownership tracking that significantly reduced errors.

In-House Landman · Brett Oil Co. · Houston, TX

2010–2015

- Conducted sole due diligence on projects exceeding \$25M in potential investment.
- Built automated lease tracking tools that reduced administrative workload substantially.
- Directed multi-state acquisition strategies achieving notable cost reductions.

Earlier Career

1975–2010

Field Landman and project roles across Texas, Louisiana, and the Rockies.
